

“LIMITED” WARRANTY

ECS Control Systems warrants all parts to be free from defects in material and workmanship under normal use and service. This obligation of ECS Control Systems under this warranty is limited to making good by repair or replacement, as ECS Control Systems deems most appropriate. Damage due to conditions beyond the control of ECS control systems is **NOT COVERED BY THIS WARRANTY**. Freight damage must be claimed through the appropriate Freight Company.

This warranty applies with respect to control panels and accessories. ***Warranty Period will be for a period of (1) year from the date of shipment.*** This warranty does not apply if the ECS Control Systems product has been subjected to misuse, neglect, unauthorized alteration, improper installation, accidental damage or faulty repair efforts. This warranty covers only such failures as result from defective material or workmanship in ECS Control Systems products and shall in no event cover and resultant systems failure or consequential damages. Similarly, this warranty does not apply to products or parts in instances where adjustment thereof will correct the alleged defect.

ECS Control Systems neither assumes nor authorizes any person or company to assume it, any other obligation in products that have been repaired or altered without ECS Control Systems consent. It does not apply to products that have been subject to misuse, accident, neglect, installation damage, or have been used for applications other than it was designed for.

ECS Control Systems neither assumes nor authorizes any other person to assume on its behalf any other warranties of liabilities in connection with ECS Control Systems.
